

# BECOME AN EDUCATOR ROADMAP

# 1

## APPLY

Submit your online application.

# 2

## INTERVIEW

Talk with a member of Seed's clinical team in your specialty area.

# 3

## SKILLS MATCH

Your information will be shared with Seed country directors and partner site coordinators to assess where your skills best match.

# 4

## FINAL REVIEW

Talk with country team and partner site representatives.

# 5

## SELECTION

You will be notified if you have been selected for a position and sent an offer letter.

# 6

## ONBOARDING

Begin the boarding and pre-departure process.

# 7

## ORIENTATION

Participate in pre-departure orientation prior to traveling to your placement country, followed by country orientation upon arrival.

# 8

## START PLACEMENT

Travel to your placement city, settle into your new accommodation, and participate in site orientation.

The recruitment process for Seed educator positions can be expected to take 2-3 months for final selection. However you will be notified immediately if your application is not successful.
